Our Rationale

As a public school, our per-pupil funding covers HALF of what our students deserve and need to sustain sobriety, get on track for graduation, and prepare for life after high school. Donors like you help us give our students the best and most complete support we can.

Our Needs

In addition to **general operating funds**, our aim is to **fund the roles our students need** to maintain their sobriety and be ready for adult life after high school:

- Recovery Coaching
- Access to Counseling and Other Therapeutic Services
- College and Career Advising
- Credit Recovery
