

administration and school board are the most appropriate bodies to determine the effectiveness of materials available in the school library as the school determines its own curriculum.
Replacement Plan: 5280 High School will independently monitor and reply to concerns about appropriateness of materials it presents in its library. Access to patently offensive and materials designed solely to appeal to a prurient interest shall not be permitted in the library, consistent with the intent of the statute.
Duration of Waivers: The duration of the contract.
Financial Impact: The school anticipates that the requested waiver will have no financial impact upon Denver Public Schools or the school.
How the Impact of the Waivers Will be Evaluated: 5280 High School will monitor this program by allowing the administration and the board of directors to work directly with parents to resolve potential disputes regarding the availability of material, all while serving the best interest of the entire student body.
Expected Outcome: With this waiver, the school will be able to implement its program with a higher degree of autonomy from District board procedures, consistent with the statute's intended purpose.

APPENDIX D - Requested District Policy Waivers

The School has requested and obtained Denver Public Schools Board of Education waivers of the following sections of the Denver Public Schools Policies and Procedures for public schools. Replacement policies are available for review by contacting the School.
