1.0 COMMENTS

- Reading of 5280 High School Mission: *Through authentic academic experiences and a culture of holistic wellness embedded in strong diverse community, 5280 High School prepares all students for success in college, their future career, and anything that life throws at them.*

2.0 ACTION ITEMS

- Introductions & Welcome
- Review Budget
 - We reviewed the budget
 - What ideas do we have besides grants - fundraising?
 - I (Pam) tried to reach out to a few people on facebook and on Colorado Gives Day
 - If you want to get involved in fundraising please reach out to lindsay.leuthold@5280highschool.org
 - How you feel about having a percentage of sales (wine) going toward the school? -Pam
- Review UIP goals for this year
 - We're so glad that you do great professional development and that this is a goal.
- Discuss Family Engagement
 - We need a community member to join.
 - We will ask a couple of people and get back to you.
 - Exhibition as family engagement

- I thought the exhibition was great. It was a little confusing about where to be and when. I got to engage with other students (not just my girls) and meet new kids. -Pam
 - Through their presentations, you learned about more kids. Same feedback - where do we go next and when? Parents might need more direction as to what to do at exhibition.
 - Add a “this is how different parents do exhibition” to the week ahead email or to the flier at the top.
 - Potential parent coffee hour meeting on campus or off campus, an AA-type meeting to keep parents engaged on the regular. This might help parents engage. It feels great to be seen and heard and understood by other parents going through the same thing.
- Principal Development and Evaluation
 - How would y’all like to help me develop?
 - Start by reading my book (shameless plug)
 - How would y’all like to evaluate me?
 - What unique perspective can y’all bring to my evaluation to help me figure out how to improve through evaluation?
 - Maybe I could reach out with part of my evaluation for y’all to give feedback on.
 - Maybe we could help you with a small part of that.
 - You’re doing awesome, you bring a level of academics that they hadn’t seen before, be kind to yourself.
- Schedule Next Meeting (before Spring Break)
- March 2nd, 2023 4-5pm
